

We specialise in external shade and weather protection, providing stylish solutions for protection from damaging UV rays and the harsh Australian elements.

Sunstate Awnings provide a complete custom design service, working with our customers to enhance their homes and businesses, with styles, designs and colours specifically tailored to suit your individual needs.

Why select Sunstate Awnings?

- We provide excellent value.
- Quality products at competitive prices.
- We have over 25 years business experience.
- Friendly and professional staff.
- We use the highest quality products from quality suppliers.
- Made in Brisbane, Made in Australia!

Sunstate offer a wide range of Awning products

- We have **Australia's largest range of Awnings**. We have a solution for all your Awning needs.
- Awning systems that keep out the heat, rain and light or systems that will keep water out and let the sun in, while blocking harsh UV rays.
- We have designed & engineered awning systems to suit any situation, from the smallest window opening to large commercial applications. From simple window hoods, to patios, decks, balconies, and outdoor areas.

ALUMINIUM AWNINGS, SCREENS & WINDOW HOODS

We have the Aluminium Awning solution that is right for you. We offer a vast array of traditional or contemporary designs and styles to choose from to complement your home or business, whilst providing weather protection and privacy.

We can also use a combination of our Aluminium and Fabric Awning options to satisfy the specific shade and protection requirements that you are looking for. No job is too big, too small or too difficult for us.

Louvre Awnings — Adjustable & Fixed

Montrose (Adjustable)

The most effective awning for heat control and sun protection. Open the panels to control breeze and light with a convenient internal handle. Almost uninterrupted views when open and maximum protection when closed.

BLOCKS OUT UP TO 90% OF THE SUN'S DIRECT HEAT

End Caps available in:
• Green
• White
• Black
• Cream

16 STANDARD COLOURS TO CHOOSE FROM

Sunbreeze (Fixed)

The panels in this fixed louvre awning are angled to offer the best compromise between sun protection, cooling breezes and view maximisation.

Aluminium Window Hoods

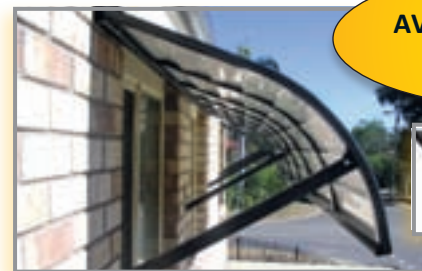

Claredale

A very low maintenance traditional window hood, with a durable curved aluminium panel and understructure finished in gloss white that reflects natural light. Available in a range of bullnose shapes, colour combinations, side trim panels or closed sides.

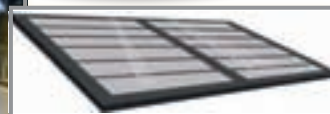

Sunpacific

This stylish, versatile curved window hood has horizontal panels in a choice of over 100 powder coat colours that will adapt to any exterior décor.

AVAILABLE IN CURVED OR FLAT DESIGNS

Pacific

A continuous horizontal panel with a clip lock system and attractive understructure, the Pacific provides protection from the elements and is waterproof at a 20° pitch.

Bahama

A totally waterproof option with neat clean lines providing protection from all weather conditions.

Sunlantic

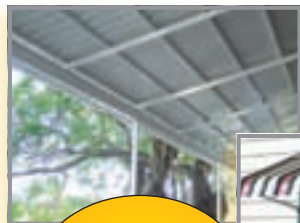

A very protective sunshade and weather protection solution using a combination of our Sunpacific panels and Sunline slats, producing a modern and stylish look.

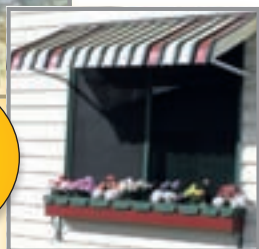

ALUMINIUM AWNINGS, SCREENS & POLYCARBONATE

- Transform outdoor living areas at a fraction of the cost of conventional building materials!
- Eliminate early morning or late afternoon sun problems. Block the sun, whilst keeping the view!
- Hundreds of powder coat colours to choose from to suit your individual colour scheme!

Awnings for Patios, Decks, Balconies & Outdoor Areas

STAFFORD & SUNORAMA CAN ALSO BE USED FOR WINDOW HOODS

Stafford

A totally weatherproof awning with a unique, continuous panel clip system that has no visible fittings. Smooth lines and curves make for easy cleaning and a gloss pearl understructure reflects natural light.

Sunorama

A totally waterproof, twin wall Polycarbonate Awning with incredible versatility, that is light, tough and attractive. The Sunorama is energy efficient, with excellent insulation properties and offers protection from all weather elements, keeping the heat out whilst letting the light in.

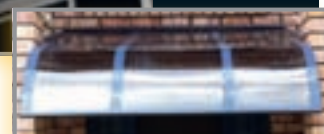

Polycarbonate

99.9% UV Protection

POLYCARBONATE AVAILABLE IN CURVED OR FLAT DESIGNS

Privacy & Barrier Screens

Sunline 45

An extremely smart, modern and versatile privacy and barrier screen for exposed areas and windows that require shade, privacy and security. This is a low maintenance solution that can be powder coated to match your individual colour scheme.

The Sunline 45 is also suitable for infills, trims and balustrades.

CURVED STYLES ALSO AVAILABLE
OPTIONAL 10MM OR 20MM
SLAT SPACINGS
